Vans will return to the hotel at approximately 8:00 P.M. For those who wish to remain in the area for evening entertainment, arrangements for later transportation will be made.

# True Texas

**Kenneth W. Howell • Keith J. Volanto • James M. Smallwood  
Charles D. Grear • Jennifer S. Lawrence**

Moving beyond the myths and legends that cloud our understanding of the past, this textbook presents a straight-forward narrative history of Texas from the prehistoric era to the present. All of the authors have synthesized the most recent scholarship with new primary research. Their focus primarily rests on the cultural, social, and political history of the state, while including a healthy dose of economic and military history. *Texas Voices: Documents & Biographical Sketches*, written and edited by Keith Volanto, is now available to supplement the text.

# Texas Speaks

*Keith J. Volanto*

***Texas Voices: Documents & Biographical Sketches* is a series of primary documents and biographies designed to help awaken in the students of Texas History an interest in the past by expanding the course material.**

Selections cover earlier periods of Texas History such as Exploration, the Spanish Era, Mexican Texas, the Texas Revolution, the Texas Republic, the Civil War, and Reconstruction, but also provide a wealth of information on twentieth-century Texas topics including the Progressive Era, the 1920s, the Great Depression, World War II, the Civil Rights Movement, and Modern Texas Politics, Economics, and Culture. The reader can supplement any Texas History text, including *Beyond Myths & Legends: A Narrative History of Texas*, published by Abigail Press.
